## What's New for You

### AT AMERICA'S PREMIER HUNTING RESORT

### FOR THE 2022-2023 SEASON

Each year the Devlin, Geist and Oakes families strive try to make improvements and additions for our fantastic Membership base who support Flint Oak. We take great pride in trying to make every trip to the Ranch a little better than the last.

For our Members who are foodies, this year you will be greeted to a new breakfast buffet area in the Main Lodge dining room. We have taken the little bar located in the main dining room, and are currently renovating it into a new grand buffet area. This new buffet area will have a Chef attended gourmet omelet bar and waffle station, along with all the other items you're

accustom to. The former buffet area will be renovated into additional dining seating for your enjoyment.

We strive to make your culinary experience at the Ranch as great as your hunting experiences are in our fields. We are blessed to have Chef Phil Burrus and the talented crew he has assembled to make this happen daily.

For our Rifle and Pistol shooting family, we are currently building a new 20'x 125" covered range with over twenty shooting benches. At this new facility, by reservation, Members and their guests will be able to shoot a handgun at 10 yards, or a rifle out

to 600 yards, all while being in the shade or out of the weather. Flint Oak Members and dear friends Jim and Sally Bauer are helping making this all possible with their expertise in this field. You will drive by the new Rifle-Pistol range the next time you enter the Ranch on your way to the Lodge.

For our European loving Members, I've save the best news for last in my book. This year we have re-worked one of our oldest Europeans... the Mini European has been remodeled. We have taken this shoot, and have transformed it into a new 14 station layout. Shooters will love the new blind placements, and views of the Ranch. Gunners will test their skills at every other blind, so seven rotations in total for this layout, while they make their way around the circle. The group's half time break will be held after the fourth brace, and please be sure to leave me a warm cookie if you beat me to the fire pit.

If you haven't thought about it yet, I will explain how exciting this new 28-gun, 14 blind European, having seven rotations is going to be. A full base shoot with 28 gunners, two per blind comes with 280 pheasants. The Member always has the option to add extra birds before the event. For this example, let's say the Member adds ten pheasants per gun for his guest, that's...another 280 pheasants, so now we have a grand total of 560 pheasants.

Now pay attention here ladies and gentlemen, you're going to want to get your hats turned around backwards, at least three boxes of shells lined up and ready in your blind for you and your partner, because when I blow the horn to signal for you to load your gun, business is going to "pick up" in a hurry!

You see, if you are paying attention to what I'm preaching and teaching, by dividing the 580 birds into a seven brace release on this European, 80 high flying-fast paced pheasants are going to be driven to free flight! I guarantee you this going test your mental capabilities, as well as your shooting capabilities

like nothing you've ever experienced before on a shoot of this size as the pheasant boil out over the timber! And remember, don't shoot your gun dry of shells, because it's going to be almost impossible to get it reloaded without a pheasant getting by!

I'm looking forward to Fall, and seeing each and every one of you back at the Ranch with some blaze orange and big smiles!

Jeff

## Flint Oak Meetings - IT'S WORK AND PLAY!

When you come out to stay with us you can be as connected or as disconnected as you wish. Both the Wi-Fi and Verizon coverage are excellent in the Lodge and will make your meeting one of the most enjoyable you will ever hold, so bring your business partners out to mix business and fun.

Flint Oak promises to give you a break from the daily routine. We have meeting rooms to accommodate any group large or small. Our Accommodations Manager and Reservationists will work with you every step of the way to ensure that every detail of your event will make a lasting impression. No need to haul around audio/visual equipment for your meeting, we have you covered. Projectors, microphones and white boards are just some of the things available for rent, so save room in your vehicle to bring more people out

to hunt and leave the boring meeting equipment behind.

Create lasting memories in the field that you can talk about for a lifetime. Give everyone the full Flint Oak experience, Duck hunts in the morning, Field hunts midmorning, and a European hunt in the afternoon. While you are here we want you to get the most from your trip and that does not include worrying about anything, let us take care of your guests like family. The Pro Shop manager, can get you a custom hat made specifically for your event. Get a personalized orange hat that they can use in the field and Flint Oak can have them in the rooms before your guests arrive. When scheduling your event ask to speak with the Pro Shop Manager to get your order in for hats. Another advantage to a Flint Oak meeting is flying your corporate flag while you are here. Just send us the flag and we will fly it throughout your entire stay.

Let's get a little friendly competition going while you are here. Schedule some of our shooting sports events during your meeting. Flint Oak's 5-Star facilities include, 5-stand, Knockout, Skeet/Trap and the beautiful ten station Sporting Clay course. These games allow for you to incorporate prizes and bragging rights that you can take back to the office.

All in all there is no better way to conduct business than to hold your meetings at Flint Oak.

## Christmas Parties

If you are looking for a place for your company Christmas party, there is no better place than Flint Oak. The options for your party are limitless. You can schedule a morning duck hunt and an afternoon European pheasant shoot then meet in The Last Shot bar to tell of all the stories of your day of hunting. Followed by a meal specially selected for you from Flint Oak's Chef. Want more of a competition for your family or employees? Think about doing a sporting clays tournament, or a few rounds of knock-out to see who the best shooter is. To set up your Christmas party call and speak to our reservation specialist and we will work out all the details for your party so you can enjoy yourself throughout the whole event.

Depending on the size of your event we have a banquet room to accommodate your group. The most popular room for parties is the Mallard Room. With space for over 100 people to sit and eat in one room makes the Mallard Room the most booked room on the ranch. There are many options to how we set up this room, it has been utilized for many different events, everything from wedding receptions with a full bar set up, dance floor and

DJ. As well as a meeting room for all day classes with snacks and drinks to keep everyone focus all day. The room is equipped with a new built-in projector and screen to hook up a computer to so you can run all your presentations, as

well as several microphones to make sure everyone can hear even in the back of the room. The Mallard Room is also where we host all our fundraising auctions for many different nonprofit organizations. Personally, these are always my favorite nights at the Flint Oak ranch. Being able to help these fantastic organizations raise money to be able to keep doing their great work is very rewarding feeling at the end of each event.

Other rooms are available if you are looking for something smaller.

The Flint Oak room is another option for a private dinner or meeting room. Looking for a more private location? The Lakeside Lodge is available to rent out and a full bar stock is available upon request. The view from the back patio

of the lakeside lodge is one of the best of the ranch. Bring your fishing pole and take advantage of the fishing on the back patio.

## New Event and Changes at Flint Oak

This year Flint Oak is excited to announce that we have added a new event to our hunt season. The first annual Flint Oak member/guest is going to be one you won't want to miss. This three day event will take place on October 28th, 29th and 30th and is very limited on the number of attendees. This event is open to all Flint Oak hunt members and are asked to bring one nonmember with them. With just room for twenty members this event

will fill up fast, so sign up early. The member/guest event isn't the only reason to come out to the ranch in October, a lot is going on in the early season, you don't want to miss out on. New hunt season will roll out the first of October and is worth an early visit just to sample to new menu items and drink specials.

Flint Oak has implemented changes this summer to get ready for the hunt season. As we are writing these

articles, work is going on to move and expand the buffet area in the dinning room. With the popular addition of The Last Shot Bar, the old bar area gets little use. To best utilize the space we have, the new buffet area will be behind the fireplace and wrap into the dining room. This extra space will allow us to be able to expand our breakfast buffet selections. This renovation will also allow us to add extra seating in the dining room which we so often need.

## Alcohol Policy Review

To keep everyone as safe as possible at the ranch we want to take a minute and go over the alcohol policy at Flint Oak. The policy of the ranch is that no outside alcohol is allowed on the property. The only exception to this is if you bring a bottle or two of wine. When you first check in in the lodge you need to surrender that wine to either the pro shop or the bartender per the Kansas state liquor laws. The Last Shot bar opens Monday through Saturday from 4:30 until midnight. We ask that you please exit the bar about

15 minutes prior to midnight to help clear everyone out and the bartender can get the bar closed on time.

There are no exceptions to the midnight closing time, these times have been set by the owners and will be followed every night. We would

like to thank everyone who already follows these rules and guidance. It is also policy that no alcoholic beverages are to be consumed before a member or their guest are going to be shooting. This includes hunts, shooting games or the rifle range.

## Deer Hunting

Have you dreamed of the opportunity of taking a mature Kansas whitetail? Turn that dream into a reality at Flint Oak. We offer single day hunt packages, as well as three day and five day trips that include lodging in our first class Lodge. Hunters all over the country are traveling to Kansas in attempt to harvest a buck, a testament to the quality of giant whitetails in the region.

Over the last three summers, we have implemented a protein feeding program. Several different sites allow deer to access a high protein pellet feed, supplementing health and antler

growth. In addition, we have strategically planted food plots in high density deer areas. With a good mowing, our clover plots are well manicured and looking pristine. We are on the third year with the clover plots and our deer herd has become comfortable in them and are using them aggressively.

As we continue to invest in our whitetail program, only a few deer hunt opportunities remain. By limiting the number of hunters, we can keep unnecessary pressure off our deer herd, not only by harvesting a fewer number of deer, but also by spending less time in the woods scouting, running trail cameras, etc. We want our deer to be contented, and we want a strong quantity of good, quality whitetails.

Flint Oak offers several options for what style of blind or stand you can hunt out of. A numerous amount of tree stands are strategically hung each year for archery hunters, giving ample opportunity to harvest a buck of a lifetime. Our rifle hunters may use them as well, but they also have the option of hunting out of a ground

blind, or one of our tower stands. Fully enclosed with adjustable windows, this is a great option in the heart of winter when the cold wind cuts through. Introducing your kids to the great sport of deer hunting? Keep them out of the elements by hunting out of a tower blind.

Whatever your weapon of choice, we are here to accommodate you and give you the best chance to harvest a mature Kansas whitetail. If you are out of state, look for the Kansas draw application next spring to put your chance in to obtain a Kansas deer tag. The Flint Oak landscape will be sure to impress, and tagging a buck will be a bonus.

# Fishing News

by Travis

We all have hunting on our minds (myself included) but right now is arguably the best fishing of the year. The cooler weather is starting to make the fish more active throughout the day. Not only can we feel fall coming with the cooling temperatures, but the fish know it is coming too. This translates into them putting on the feed bag. All during the fishing season we run fish feeders in all three lakes. On top of that we stock all lakes with shad, bluegill, and tilapia. With this smorgasbord of available bait these fish are chasing like crazy and putting on the pounds. They essentially have their own "Flint Oak Buffet" in the lake.

How does this translate into better fishing? With the wipers and the bass becoming more active they are much more apt to bite any lure you throw. Since they are more active you can put away your slow boring finesse techniques and pick up your fun fast-paced lures like crankbaits, spinnerbaits, chatterbaits, swimbait, rattletails, and everyone's favorite.... Topwater! This time of year they only have one thing on their mind and that is a high protein diet to bulk up for the winter. Generally, both the bass and the wiper start schooling this time of year. That means if you catch one there is usually several right there with it.

There have been reports of nice bass and wiper being caught out of Center Lake all summer long. I would anticipate this to continue and get better as we go into the fall. This lake is known for its deep clear water with deep grass beds. The bass and wiper can be difficult to catch during the summer when they get out deep and can be buried up in these grass beds. With the water cooling off a lot of the bait fish pull up from the depths and make their way to shallow water and

towards the backs of pockets. When they make this transition the bass and the wiper move right on up with them putting them in a lot easier position to catch. With some vegetation in the lake I would recommend ripping a rattle trap in some of the shallower grass beds. As you work your way up shallower in the more open water a topwater popper will really shine, and as you get around the thicker vegetation a white hollow belly frog and hold on!

Indian Lake has been producing some quality bass all summer long. There has been a good number of fish getting caught per trip. While the tried-and-true swimbait has been a player this summer, a ribbontail worm has been the main staple, fishing it shallow as well as flipping the stand timber with it. It was an extremely dry summer for us bringing the lake down just a couple of feet. The lake being down has allowed some bank grass to grow along the old shoreline. If we get some good fall rain I expect the lake to push up into the grass and make the shallow bite hot and heavy. The wiper

fishing has been tough throughout the summer on Indian Lake, but with fall coming the bit should be picking back up.

West Lake produced some awesome fishing all summer long. With a 17' Bass Tracker with a brand new trolling motor on the front, it has proven to be a great fishing experience. The bass have been biting well, if you can get them out of the heavy vegetation. This lake has some world class wiper in it. With fall right around the corner the big 8-10+ pound wiper will be actively feeding and aggressive. I would recommend throwing a white swimjig along the grass beds, as well as trying a rattle trap ripping it out of the grass. Topwater will also really shine on this lake.

Don't miss out on an awesome opportunity to get in a last minute fishing trip. Typically we cut off the fishing around the first part of October (weather depending). Give us a call and get that last good fishing trip in before it is too late!

# Flint Oak's Private and Open Driven Pheasant Shoots

The driven pheasant shoot, reserved for Europe's royalty and aristocracy until the mid-20th Century, has a long and rich history. The shoot begins with the Horns men. The hunting horns blow notifying the shooters to begin and the "beaters", traditionally servants walking through the woods driving the game ahead of them, start pushing the birds towards the shooters. When the birds approach the clearing at the edge of the forest they flush high and fly very, very fast towards the waiting guns providing "missile" like targets. Traditionally, midway through the hunt, servants brought their masters food and drink and a feast at the castle followed the hunt.

Flint Oak's European shoots, in the tradition of those reserved for the kings so long ago, begins with the hunting horns. Flint Oak's rich and diverse background provides a truly exciting pheasant shooting for both the novice and the experienced gun. As the

hunters' horns sound across the landscape, prepare for the most exhilarating pheasant shoot of your life. True to tradition, food and drink are provided halfway through the hunt, a welcome respite to the shooting. The hunters' lunch served at the lodge, rounds out the day.

Start planning today for a truly exciting pheasant shooting in Flint Oak's magnificent surroundings. Feel like a king; come to Flint Oak where you are royalty.

Flint Oak not only offers a variety of Private European Hunt choices, Flint Oak's "Open European Shoot", our "Grand Event", is held virtually throughout the Hunt Season (see schedule page 24). The pageantry of this event, the mix of participants, the weather and a myriad of other factors, make each and every shoot unique.

## The Major European

78 Guns

The Major European is the "granddaddy" of our Europeans. It has 39 blinds that surround the oak covered hills and vast rock bluffs. It includes a huge Hunter's breakfast, coffee break around a toasty campfire, a hearty lunch, and an equal share of the day's harvest. This is one of those bucket list items, and the enormous size of this European is enough to put a smile on your face.

## The Phoenix

18-36 Guns

The Phoenix was a mythical bird that arose from the smoke and ashes of its own destruction! Thus, we thought it was an appropriate name for this driven shoot because those birds just seem to keep rising and flying despite smoking shotguns! The dense number of oak trees on one side, along with the vast openness of the other, is sure to make it a challenge.

## The Mini-European

14-28 Guns

The Mini was the first private European shoot introduced to Flint Oak in 1982. This shoot has proven to be very exciting and even sportier than we first anticipated. Remodeled into a fourteen blind shoot, the Mini will accommodate up to twenty eight shooters. Rotate every other blind with fast flying birds and quick shooting!

## The Osage

10-20 Guns

The newest addition to the Flint Oak European lineup, The Osage, is located on the northwest corner of the Ranch. This beautiful area was once home to the Osage Tribe where they lived and hunted buffalo. Many artifacts have been found close to this site as well as many other areas at Flint Oak and are on display in the Lodge entryway. Challenging forested shots keep all participants entertained and smiling.

## Advantages of the European Hunt

European shoots are a great way to introduce your friends or business clients to Flint Oak. They are designed for Private groups of all sizes. This type of shoot is ideal for those not able to Field Hunt. When you factor in the unpredictability of Kansas weather, even the most experienced shooter will be challenged, while the novice will have an enjoyable experience hunting with friends. The camaraderie and atmosphere of these shoots is a great tool for team building. With all this in mind, why not schedule your European Shoot soon? To increase the fun and add more shooting pleasure, extra birds may be purchased for each of these shoots except the Open European.

### **The Scottie / Double Scottie**

6-8 Guns

The Scottie allows smaller groups to enjoy European style shooting. With the layout of this shoot being much smaller than any of the others, it creates an up close and personal shooting experience.

-OR-

Try the "Double Scottie." It is the most popular Scottie choice by our Members. It is different in the fact that the birds are doubled, the gunners rotate around the circle twice, giving more shooting opportunities and a second chance at mastering the nuances of each blind. The harvest percentage may be higher on the second round. This shoot is ideal for those small groups of friends or clients that you wish to entertain on a more personal basis.

### **The Mecca**

8-16 Guns

Webster defines the Mecca as "a center of activity sought as a goal by people sharing a common interest." We at Flint Oak feel this is true with our Mecca. Sitting among some very large oaks and blackjacks that surround cedars and more oaks in the center, it makes for very fun shooting. This European is arguably one of our Members' favorites.

# 2023 KSU Wildlife and Outdoor Enterprise Management Scholarship Shoot

Mark your calendars and plan to attend this Hunt Seasons BIGGEST Open European of the on Saturday March 25th, 2023. By attending this European which is always a sell-out, you can help raise funding for a great cause while having the time of your life.

Have fantastic time with 1500 towering pheasants at the Ranch while raising scholarship funds for a great cause!

Everyone who participates in this BIG Shoot always goes away with a smile, a full belly and a tender shoulder after testing their skills against 1500 pheasants. Funds generated from our Membership participating in this

event go to ingoing freshman in the form of Scholarships to help cover tuition in KSU's fantastic and one of a kind Outdoor Wildlife and Enterprise Management course that is in its 10th year. Students actually attend classes at Flint Oak during their 4-year Bachelor of Science Program where they can also receive a minor in business. Last year we were lucky enough to be able to award six scholarships to the students of the WOEM program with your help and support.

Call the office today so that you too can experience a 1500 bird Major

European before it sells out, something that should be on every ones bucket list more than once.

## Flight of Honor

### BROUGHT TO YOU BY USD 505

On September 23rd - 24th Flint Oak is once again honored to be a small part of a great event helping Americas Veterans make the trip to our Nation's Capital. The Honor Flight Network is a non-profit organization created solely to honor America's veterans for all their sacrifices. Funds raised at events like this one help transport our heroes to Washington, D.C. to visit and reflect at their memorials. Top priority is given to the senior veterans – World War II survivors, along with those other veterans who may be terminally ill.

Over **300,000** Flown  
SINCE 2005

Last year's event raised over \$70,000.00 and will make it possible for almost two full flights of veterans to make this trip. My wife Libbie Oakes is scheduled to go on this year's spring visit. Libbie who is a RN will be one of the required nurses to have on the support team of volunteers.

Please plan on attending this great cause that will include a fantastic Friday night social, dinner, auction, overnight stay and sporting clay fun shoot the following morning. For more information, please contact our great office ladies at 620-658-4401.

## Flint Oak Boards & Trains Dogs Year Around

### Kennel Report

With the late summer heat setting in, the kennel staff is longing for crisp cool mornings chasing bird dogs in the tall grass prairie. The entire staff in the kennel has been hard at it all summer long making sure that all the dogs are well cared for and in the best shape they can be for the long and grueling season that awaits them.

Over the summer the kennel staff started three German shorthaired pointers in the training program that were talked about in the spring update and are more than pleased with the success they have been seeing out of them. It won't be long until they will be full-fledged working members of the Flint Oak kennel.

Also, over the summer the staff went out and purchased eight new young dogs to help better the kennel. There were three female English pointers and four male English pointers in the purchase as well as one English setter. All of the English pointers are out of an all age national champion by

the name of "Millers Speed Dial" and boy do they all show some tremendous

talent. The setter is out of a two time all age national champion by the name of "Shadow Oak Bo" along with the pointers, the setter has shown that he can possibly become a top tier worker in the kennel.

The entire staff is eager to see what these young dogs can do come hunting season, if what the staff saw in training holds true, our members are in for a real treat. These young dogs show tremendous amounts of heart and bird drive, so they are sure to give everything they have to make sure our members leave Flint Oak with a smile on their faces, a cooler full of birds, and saying "man, that was some great dog work, when are we going back?"

This past summer the kennel staff was able to get two litters of English pointers bred for the future of the kennel and are excited for them to get to the age where they can enter the training program and become working members of the prestigious Flint Oak kennel. As always, the Flint Oak kennel staff will continue to work tirelessly to make sure that the four legged employees are ready for the hunts that our thrill seeking, hunting loving customers, like you, book.

# Duck Hunting News

The Preserve staff has been working hard all summer long in preparation for this time of year. The crew got the fourth and final duck blind pulled out and repositioned back in the ground. We tackled three of the four blinds last summer getting them pulled up and repositioned as well. Along with the blinds being repositioned they also got a fresh coat of paint, new floors, benches, and gun racks. The blind doors got revamped as well so they lay completely flat and allow for a full range of shooting.

After a full season with the new blind arrangements, it turned out to be one of our best duck hunting seasons to date. Many will agree that the new blinds are top notch and make for some of the most action-packed duck hunting there is. Our blinds can accommodate up to six shooters comfortably with a guide. With a hot cup of coffee, a giant breakfast burrito, some cupped up mallards floating onto the pond and the smell of a fresh burnt Federal shotgun shell makes for one heck of a way to start the morning! For

those of you that are worried about missing out on a morning Field Hunt or Driven Shoot... no problem! With the duck hunts starting at first light, we

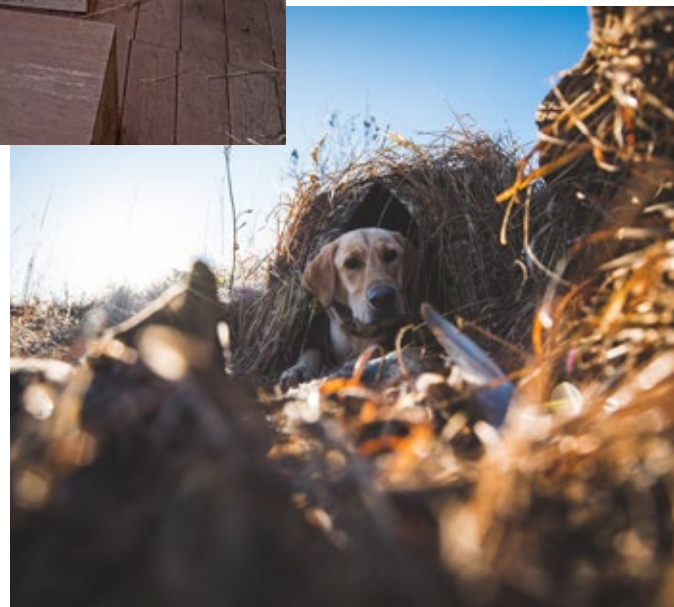

our loaner eight shot Benelli's during the hunt. Another unique aspect of our hunts is that we use lead shot with no shot size larger than a #6. Since this

is a duck hunt we require the hunters to wear camo/earth tone clothing while in the blind. The only other item you'll need to go on this hunt is a set of eye and ear protection. Being able to use all the items listed above makes for a unique opportunity that you are not going to want to miss out on! With the popularity of the Duck Hunts growing be sure to call us and get your dates booked!

can get you back in from the morning Duck Hunt and still have time to make it out for the other activities you have planned!

Our Duck Hunts are a part of the CSA program and this allows us to do several unique things. While it is optional, we encourage the use of one of

# Fall Field Hunt 2022

It's that time of year we have all been waiting for! The days are getting shorter, the leaves are changing colors, and there is a cool breeze in the air. Not only can we feel it, but so can the dogs and just as much as we know it is coming so do they. With a hot and overly dry summer we are all looking forward to the cool fall weather and getting to put on that first layer of blaze orange.

The Preserve staff has been working diligently all off season to ensure we have another top-notch hunting season. From clearing trees, to spraying fields, planting food plots, bush hogging paths, and working on roads. Even with it being a hot and dry summer the milo is still looking in pretty good shape going into the season. Last fall we did some aerial spraying for some invasive plants at our West Ranch property and it is looking well-manicured.

Another big project we've been working on this summer is revamping the Mini European. We have cleared out some trees, made the outer circle bigger as well as moved blinds around. This will ensure some better shooting opportunities for you and your group of friends. If you are looking to book a 14-28 gun European this is one you will definitely want to try out. Look for more information on page two of the Update.

It is shaping up to be another great season here at the Ranch. Whether it is your first time taking to the field or you are a seasoned veteran watching a good dog work never gets old. If you like the challenge of shooting fast flying pheasants and pulling the trigger, we have the driven shoot to fit your needs. While you are here be sure to give our duck hunting a try as well. It will surely be one of the best duck hunts of your life! Give us a call and book your hunt of a lifetime at our top notch facility and get out there and make some memories!

# Super Quail Hunts

The new Hunt Season is upon us and it is time to clear our minds on a good old-fashioned quail hunt. Remember days passed, moving several coveys in a morning and having the time of your life watching the dogs put on a show? Flint Oak's Super Quail Hunts are a resemblance of those cool, crisp winter mornings shooting these beautiful and swift flying gamebirds.

How do you know which bird to shoot?! Do you shoot into the covey and hope one falls? The answer is "NO." Pre-mount your shotgun as you approach the point, when the shuttering noise of a covey rise is heard, push your safety off and pick out one bird. Once you have chosen your bird, the one flying in your shooting window that gives you the best shot, focus on it and give it the appropriate lead. As you pull the trigger and see the tumbling motion

of a harvested quail, you won't find a better feeling in the sport of hunting. When you have mastered this concept, after bird number one falls, pick your head up and look for a second bird and double up. These are stories you will tell at the dinner table, around the campfire, and for years to come.

The Super Quail Hunt has become

a Member/Guest favorite. Lots of action and quick shooting create an exhilarating environment, even for the most avid hunters. If you remember those days years ago of chasing the elusive Bobwhite and want to experience that feeling again, call and book yourself a Super Quail Hunt. You will not regret it.

## GATOR HUNTS

What is more exciting than having three generations of hunters in the field? How can we do that comfortably and have a safe and enjoyable hunt?

The answer is gator hunts. A UTV-assisted hunt that allows anyone to make it to the field. A grandparent may not get around as well as they used to, a young hunter following in the footsteps of their elders might not last three hours of walking on a field hunt. The gator hunt presents the perfect opportunity to get anyone behind a good pair of bird dogs.

A gator hunt is conducted in similar fashion as our traditional field hunts. The only difference is we have an additional guide driving a UTV following the show. The guide on the ground handling dogs is going to find the birds, the UTV driver is going to drive the passenger(s) to the point and help them off. Once the guns are loaded and everyone is in a good, safe line, the guide will attempt

to flush what the dogs have pointed. If all goes as planned, a good set of pointing dogs will race to the harvest and retrieve it back to hand. Hunters will load back up on the UTV and proceed through the field, watching a pair of bird dogs methodically race to the next scent of a gamebird.

Flint Oak wants to give everyone an opportunity to hunt, and a gator hunt is a fantastic way to do it. Don't hesitate if you think you have a family member, friend, or anyone who just can't make it through a hunt, book a gator hunt and let us show you a unique way the navigate the fields!

# Shotguns and Flint Oak...

## THEY GO TOGETHER LIKE PEAS AND CARROTS

Your favorite shotgun is an essential piece of equipment in the field and on the range. It is important to keep your gun clean to prolong its life and ensure that it is always functioning properly and safely. There's nothing more frustrating than a gun malfunction when you find yourself in the middle of a covey rise or a floating incomer on the clays course. That is the main reason we offer gun cleaning services in the Flint Oak Pro Shop.

The Flint Oak Pro Shop is stocked with everything needed to keep your gun well maintained and working smoothly. Our staff is capable of cleaning and servicing a wide variety of guns, in addition to offering a light selection of replacement parts to get you back into the field. We can handle everything from a quick wipe down to a full detail!

It's quick and easy to drop off your gun after a hunt, or before you leave so that next time you pull it out of the case it is clean and ready to go. Sometimes the weather is not as cooperative as we would like, and nothing rusts a gun faster than putting it back in the case wet. After a day out in the rain or snow be sure to bring us your firearm for a cleaning in order to keep your gun looking as new as the day you bought it.

If you happen to forget your gun at home or simply just do not want to travel with it, Flint Oak has you covered with over 70 rental guns in our fleet. We have Benelli M2's in both 12 and 20 ga, Beretta over and under in 12, 20 and 28 ga, youth and ladies' models in Beretta and Benelli 20 ga. One of the newest guns added to the program is the new Beretta A400 Xtreme semi-auto 12 shot with a carbon fiber extended magazine.

Our vast amount of range guns is also a great way to test drive a new gun before purchasing it. Where else can you go shoot eleven different models of guns within steps of the store before "pulling the trigger" on a new purchase. Be sure and reserve your rental guns when you make your hunting and shooting reservations so we can be sure to have exactly what you're wanting to use.

## Shooting Lessons

As the long summer days begin to get shorter it can only mean one thing: fall, and more importantly, hunting season are right around the corner. If you are like most of us, you put your shotgun in its case at the end of last season and stuffed it in the corner. Whether you need a pre-season tune up, or have friends and family that you would like to get into hunting, we have shooting lessons available for everyone. Come out to Flint Oak and let our Shooting Sports Department help you with the fundamentals to put more birds in the bag.

At Flint Oak our Shooting Sports Department offers one on one or group lessons to help diagnose and fix the most common fundamental

mistakes. We begin by getting to know you and what your shooting background and experience are, and check and tweak gun fit. From there we can discuss your ultimate goal, whether it is to work on just breaking a few targets and build a little confidence behind a gun, to work on lead, or any of the many other facets of shotgun shooting. With our World Class Sporting Clays course, a Trap & Skeet Field, and 5 Stand Layout, we have the facilities to offer nearly any and every scenario you might encounter out in the field.

Contact the office today to set up your shooting lesson to "get the misses out" of your gun before bird season is upon us.

## Flint Oak Ranch

### AN ORVIS WINGSHOOTING LODGE OF THE YEAR FINALIST

Flint Oak has been providing memories to our Membership since its inception in 1978. About one and a half years ago we took another step in the pursuit of excellence and became one of the Premier Orvis Endorsed Wingshooting Lodges. The name

Orvis adds instant credibility to any organization.

The pursuit of game birds with dogs and fine shotguns is a significant contributor to why Flint Oak was founded. Orvis shares this same passion of the sporting culture and

a general love of the outdoors. Flint Oak and Orvis have both grown over the years to become two of the most complete resources for the avid wingshooter, offering everything a hunter needs.

Flint Oak is proud to be an Orvis-Endorsed Lodge and was lucky enough to be chosen last season as one of the three finalists of the US's Wingshooting Lodge of the Year award after only being affiliated with the great organization for one full year. The entire staff of Flint Oak has set a goal to be number one in the Nation in 2023 and again in 2024... two years back to back!

Be sure to check out the complete line of our Orvis upland collection of clothing in our Pro Shop that will allow you to venture afield with confidence. Whatever your wingshooting needs, you'll find it all at Flint Oak

along with the extraordinary customer service that we guarantee to our Members and their guests. We have spent the last 44 years offering a World Class experience and we look forward to another 44 years of pursuing excellence as your Wingshooting destination.

# Summer was VERY busy this year

As fall begins to set in, it's always fun to look back at the spring and summer that just transpired. The social season of 2022 was one of the busiest in memory. The spring kicked off with the Kansas Classic 400, an NSCA Registered Sporting Clays shoot held at Flint Oak and STC in Augusta KS. Competitors had Saturday and Sunday to shoot 400 registered targets on four different 100 target courses; two at each club. The winner was determined by their cumulative score over all 400 targets. Xander Winchel of Kansas City took High-Over-All with an impressive 365.

After the Kansas Classic was over, the Shooting Sports Department moved into our summer benefit shoots. These shoots consist of 30-100+ people squaring off on up to 15 stations after shooting warmup games like The Long Rabbit, Knockout, The Long Teal, and Flurries; all which are set up to raise money for the host charity or club. It is not uncommon for these groups to raise tens of thousands of dollars during their event.

In July Flint Oak hosted Rainier Firearms Academy for a three day Advanced Carbine Class. This class focused on stretching a carbine and the .223 out beyond normal comfortable ranges, with targets being shot out to 600 yards.

The second day students shot unknown distances from nonstandard shooting positions off of tire piles, a roof, and even a culvert pipe, learned one

at Flint Oak hosting their women's retreat. Twenty-eight women from across the state participated in this retreat which exposed them to a

handed manipulations, and navigated a pointman course.

The Kansas State Sporting Clays Championship was held July 21st – 24th. Jared Greenwood of Augusta KS took High Overall in the Main with an impressive 185/200 the day after he returned from shooting in Italy.

The beginning of August saw Rainier Firearms Academy back out

variety of firearms they may not have experienced, worked on proficiency in concealed carry situations, and taught some self-defense techniques as well. The summer culminated in the Flint Oak Cup and Make-A-Break tournament. This three day event saw shooters competing not only on a main course set by GP Traps, but also three Make-A-Break layouts.

## Long Range, Precision Rifle Classes

OCTOBER 7TH-9TH

If you would like to learn from one of the best Instructors in the US on how to effectively and consistently shoot out to 1000 yards +, we have a great all-inclusive experience lined up for you.

Gene Hauenstein, a former Marine Scout Sniper, now Marine Instructor with over 24+ years of experience teaching Precision Rifle will be at Flint Oak for a fantastic fall class. Six students will have to opportunity during the three-day course learning the arts and science of Precision Long Range Shooting. Attendees will be taught the fundamentals of internal and external ballistics, marksmanship fundamentals, optics and rifle sight-in procedures. Gene will start you out at 100yds and then push you out to 1,000 or possibly further by day three. This will be our 5th year hosting classes on our two new 1,000 yard+ ranges. Gene's systematic approach will help you build a foundation and skillset on what it takes to read the wind, judge distance, and effectively get rounds on target down range.

Genes' hands-on approach will teach you to take your rifle, zero it, make scope adjustments and then have you engage targets at long distances with confidence. This type of teaching will have you doing the work, because he will not be with you on your next Big

Game Hunt when you are needing to harvest the animal of a lifetime at 531 yards. For more information on the course and what it includes along with what you'll need, please contact the office as space is very limited.

# TRIGGRCON

## BRAND NEW AT FLINT OAK

TriggrCon is fast approaching for its inaugural year at Flint Oak, October 5th thru 9th, and we want you to join us for it. Typically held in Bellevue Washington, Rainier Arms has made the decision to hold the event in Kansas this year and Flint Oak is proud to host it.

Fifty plus vendors will be on site to debut the newest, latest, and greatest

in the firearms industry. Not only will you be able to see them in static displays, there will be several ranges operating on the property where you can shoot pistols, rifles, pistol caliber carbines, test new suppressors, and shoot long range.

Head to [Triggrcon.com](http://Triggrcon.com) for the latest information on vendors and to purchase tickets.

## Sporting Clay Cart Rental

Did a long night at The Last Shot get the better of you? Did your field hunt take a little more out of you thought it might? Is it just too hot to be out walking? Don't let a little excuse like these stop you from visiting our 5-Star Sporting Clays Course because you don't want to

walk. Our Shooting Sports Department has a fleet of golf carts available to rent! With gun racks, cup holders, and plenty of room for your shells and a group of four our carts make the trip easy. If you prefer the exercise, and want to walk our beautiful course we also have

hand carts available to carry your guns, shells, shooting bag, and whatever else you want to take with you. Contact the office to reserve your golf cart or hand cart for your trip out to Flint Oak.

## Pro Shop News

The one place you must be sure and check out during your stay at Flint Oak is the Pro Shop! From supplying the ammo needed for your hunts, to orange hats and safety glasses requirements, we can take care of your group.

Flint Oak has a wide variety of products to cover all bases: superb upland hunting gear from Orvis, attractive pieces from Sitka, Kuhl, Under Armour, and more. Rain or shine, hot or cold, we can equip you to be ready for any elements in the

field and of course, we have stocked shelves full of some of the best Federal shotgun shells you can find!

A new selection of Browning knives, engraved with different styles of mountain sheep, is now being offered in the pro shop and new taxidermy items will be arriving soon.

We are also looking forward to showcasing a custom Fred Boyer bronze sculptured Flint Oak belt buckle. Mr. Boyer hand designed this buckle, an oval shape piece with an embossed Flint Oak logo. This will look great with any outfit, in the field or in the office, out to dinner or in The Last Shot bar. It would also make a great gift.

Want a new shotgun? Check out the array of Benellis and Berettas available, as well as Brownings and Franchis. Looking for a good rifle? Hill Country Rifles are a great addition to anyone's collection of firearms.

Whatever you do don't miss out on a visit to the Pro Shop!

Flint Oak offers two great opportunities during your visit, the ability to fly your company flag and printing your company logo on our dining room placemats, both at no charge to you.

First opportunity, flying your flag. To fly your flag during the length of your visit to Flint Oak simply bring it with you on your visit or send it to us in advance. Our American and Kansas flags are 4'x6'

Second opportunity, creating your

own personal placemat. Maybe you are holding your family reunion, a school reunion or other special event. If you have an emblem or crest you would like on your placemats, request Flint Oak to print them, the emblem to Flint Oak and your table at breakfast and lunch will be set using your own personalized placemats.

Please notify the office staff when making your reservations to make arrangements for flying your flag and printing your placemats.

## Individual and Corporate Membership By-Laws

Flint Oak offers four kinds of hunt memberships, Individual, Corporate (multiple), Junior or Senior.

### INDIVIDUAL (Single designee)

Individual Memberships shall be issued in the name of an individual or in the name of a business or firm. Individual Memberships are assigned to one (1) designated individual and are non-transferable. The designee of an Individual Membership will be responsible for any charges incurred by his guests.

### CORPORATE (Multiple designees)

Corporate Memberships shall be issued either in the name of a company or an individual associate of a professional group. A company is understood to be any entity holding a Federal Employer Identification Number (FEIN). Such named entity (whether a company or an individual associate) shall be designated as the Owner of the Membership, and the rights and privileges of the Membership are the property of the named Owner. The first Designee appointed by the Owner of the Membership shall be responsible for and billed for all charges incurred by designees and their guests.

Corporate Memberships include membership rights and privileges for three (3) designated individuals. The first Designee shall be Flint Oak's contact for billing purposes. All designees must be directly employed by said company or an associate of the same firm as the Owner of the Membership. Designees may be changed at no charge provided the Owner of the Membership notifies Flint Oak in writing of the substitution.

### JUNIOR (Single designee)

Junior Memberships, for those between the ages of twenty-one and forty, require current Hunt Member sponsorship, are assigned to one (1) designated individual and are non-transferable. The designee of a Junior Membership will be responsible for any charges incurred by his guests.

### SENIOR (Single designee)

Senior Memberships are available to our current members, who have been a member for the previous five years and are 70 years of age or older. Membership is assigned to one (1) designated individual and is non-transferable. The designee of a Senior Membership will be responsible for any charges incurred by his guests.

### Dues and Charges

1. Membership dues, regardless of Membership type, shall be paid in advance. Hunt Membership dues will establish membership for one year from the date of acceptance.
2. All monthly charges will be due the tenth of the month following the month such charges were incurred.
3. Members will be responsible for any charges and/or damages incurred by their guests. Guests will have no billing privileges.
4. Members will be billed monthly.
5. Corporate Membership billings will be to one designated Member, and will not be broken down to individual designee charges.
6. Hunt credits and/or services included with the initial membership fee must be used during the months of membership. They do not carry over to another membership year, nor are such unused services subject to refund at the conclusion of the membership. Social Memberships receive no hunt credits.

On a Corporate Membership the first Designee or his assigned should collect and forward any moneys paid in order to keep the account accurate. Flint Oak will consider the corporate membership as one account and cannot credit individuals in that account as well as assign hunt credits to individuals in that account. All monies received will be applied to earliest invoices.

The Corporate Membership rate is extended due to the reduction in bookkeeping on one account rather than three individual accounts.

## Memberships

Flint Oak started being developed and planned in 1978 when the first parcel of ground was purchased. In 1982 when the doors first opened for Hunting, memberships were offered for sale. Many said that it would not work, but the old saying "if you build it, they will come" held true. Today we are blessed to still have many of the Charter Members and their families still involved, some enjoying their 3rd and 4th generations in the Field.

### Corporate Membership

\$8000.00 / 4000.00 back in Hunt-Fish credits annually.  
3 names on the Membership

### Individual Membership

\$4000.00 / 2000.00 back in Hunt-Fish credits annually.

### Senior Membership

Upon reaching 70, any Member who has been a Member for 5 plus years qualifies for this Special Membership. \$1000.00 / 900.00 back in Hunt-Fish credits annually.

### Junior Membership

21-40 years of age. Must be sponsored by a current Member \$1000.00 / 900.00 back in Hunt-Fish credits annually.

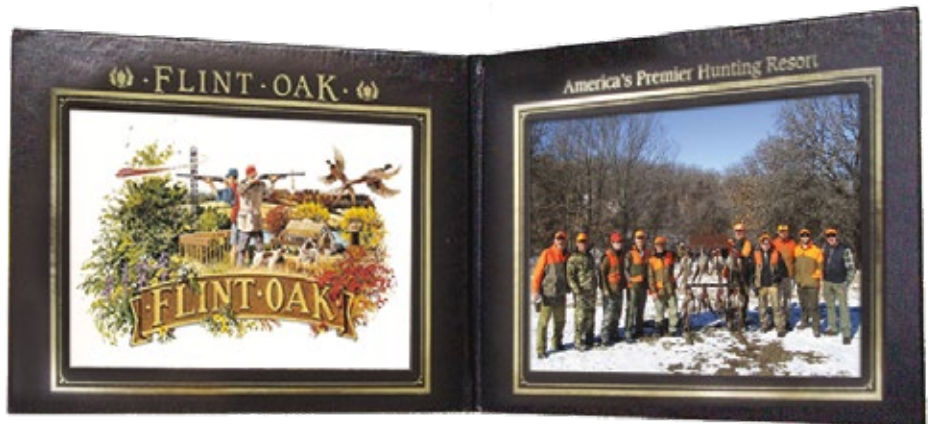

The staff of Flint Oak would like to thank each and every Member for their support over the years. We have been truly blessed with the many memories and friendships made in the 40 years since Flint Oak was started. May we see you for many more years of friendships, great outdoor fun and countless celebrations to come.

There it is. That one nagging gift, for that one special person, that you just can't figure out. Worry no More. A Flint Oak Gift Certificate is the perfect solution.

It can be used for a hunting excursion, a great night's stay at the Over and Under Lodge or a fantastic meal in the Main Lodge dining room. Don't forget the 5-Star Sporting Clay course is great fun. ## Memories to Last a Lifetime

Memories.... those wonderful brief fleeting moments that you never want to forget, yet as time passes by memories begin to dim. What better way to keep them forever than with a photo. Flint Oak offers the service of taking a picture for you and placing it in a beautiful custom folio. Whether it's just the two of you enjoying a wonderful time at Flint Oak, a family get together, a school reunion, or even your corporate event, just let us know and Flint Oak will be sure and set up a time to take that once in a lifetime photo. We then process, print and package your photos in a Flint

Oak folio for you and your group to take with you when you leave, to help remember the wonderful fun you had at Flint Oak. Be sure to take advantage of this great deal.

# IMPORTANT REMINDERS

## HUNT SEASON

### Reservations & Cancellations

All activities at Flint Oak require **ADVANCE RESERVATIONS**. We limit the reservations we accept to the personnel and facilities we have available. Unlike the airlines, **WE DO NOT OVERBOOK!** If we accept your reservation, we guarantee that we will have everything required for your activities (just like buying a ticket to a ball-game). We are located "deep in the country" and do not have passerby business. Our food orders and personnel schedules are made weekly and must be based on advance reservations.

Once your reservation is booked, we incur the expense of whatever advance ordering and planning are required. So if you fail to come, or cancel after the expense of preparations has been incurred, what is fair? Should all guests be penalized by increased charges to cover these expenses? Most of our guests believe it is fairer to charge a cancellation fee to those who create the increased cost!

## HUNT CANCELLATIONS

- Hunt reservations (whether Field Hunt, European driven shoots or Duck Hunt) may be cancelled at **NO CHARGE** forty-five (45) days or more in advance.
- **A \$150 CANCELLATION FEE** per gun will be charged on all hunt reservations cancelled forty-four (44) to thirty-one (31) days in advance.
- Hunt cancellations received thirty (30) days or less from the hunt date **WILL BE CHARGED** for the **FULL** amount of the hunt(s) reserved.
- During Hunt Season **ALL** reservations must include hunting activities as our Lodging space is limited (excluding dining).

## HUNT SEASON HOURS

The Flint Oak Office is open seven days a week (except on Thanksgiving, Christmas, and New Year's when we are closed). Reservations can be made any day during Office hours by calling (620) 658-4401

## FISHING REMINDERS

Fishing is April 1st through October 31st. Catch and release only for Bass and Wipers. See fishing rules. During these months fishing for overnight guests and Social Members is at Center Lake, Duck Pond, along the creek and Lodge Lake from the silo to the windsock. Indian Lake is not included. During the month of September fishing lakes may be booked as long as no European or Field Hunts are scheduled in the vicinity.

During fishing season Flint Oak rental boats are permitted on Center Lake. No boats are allowed on Lodge Lake or Timber Lake due to the shot fall from Sporting Clays. We are very concerned about contamination of our water by zebra mussels or other invasive species. Under no circumstances will boats not owned by Flint Oak be allowed on any of the lakes or the creek. No waders allowed. Artificial bait only in the lakes, barbless hooks required

## GUIDED FISHING CANCELLATIONS

Guided fishing cancellations received eight (8) days in advance, no charge; cancelled seven (7) days or less \$125 per boat reserved.

## MEAL DEADLINES

Please make reservations for meals by the following deadlines to allow us to prepare properly. Reservations will be accepted after deadline if we can do so with the staff and food preparations available.

Breakfast ..... 6:00 pm the night prior  
Lunch..... 10:00 am  
Dinner..... 3:00 pm

Because we do not have "drop in" business, Flint Oak can seldom fill a "short notice" cancellation. The only way we can continue to provide the services you expect at realistic prices is if all guests respect and adhere to our reservation and cancellation guidelines. We have tried to structure our requirements to be fair to ALL concerned, you, other guests and Flint Oak.
