Preserve News

Hunting season is winding down for us here at the ranch. As we start to put away our hunting gear, we start to pull out our fire trucks in preparation for the spring prescribed burning. Every year we burn off more than 3,000 acres in less than two-weeks' time. We always start with burning off our bordering zones then start in towards the middle of the ranch depending on the forecasted wind direction. It takes all hands-on deck to get all the fields burnt before the green growth starts to emerge.

The grass is already turning green on us has the preserve staff sharpening those mower blades to tackle the large task of keeping the ranch mowed up and looking sharp. Our mowing staff mows all day, everyday to keep the landscaping under control. With some new dirt

work that has been done last fall and early this spring we will be working hard to prep them for getting some growth on them as well. Provided we get the adequate rainfall we need, the Preserve staff will be replanting all the deer and bird food plots, as well as adding in some new ones. This past deer season we saw some great success on some of these new and improved areas.

Now that summer is upon us and all the deer have shed their antlers it is time for the preserve crew to head to the feeders with flat beds loaded down with protein. As soon as bucks lose their racks they almost immediately start the regrowing process. When this takes place we want them to start eating the protein as soon as possible to put as much growth on as possible. This is our third full season of feeding protein

and have seen some impressive results as well. We will continue to feed the protein up until they shed their velvet. We are excited to watch the bucks grow and to see what we will have for deer that we've been watching over the season as well as some new up and comers.

With social season upon us we have gotten our boats all hauled out to the lakes and ready for fishing. Our GP Trap machines are all tuned up and ready for a full summers of shooting clays as well. Our horse trails at the ranch, with unique historical sites, are worth saddling up to check out.

Don't miss out on all our special events throughout the summer. Come out and make some memories!

Dining/Reunions/Wedding – Oh My

Last year at Flint Oak we were fortunate to be the venue for many different weddings. People have discovered that the amazing views and countless activities to keep your guest's entertained Flint Oak is an exceptional venue for any wedding. Flint Oak can put together a wedding that no one will be likely to forget. This year will be another great year for weddings at the ranch, with several already booked.

Contact the reservation desk to set up a meeting to discuss your Flint Oak wedding. No matter what size your wedding is Flint Oak has a location for your reception. The Last Shot bar can comfortably hold 60 guests with an opening to have overflow on to the fire pit area where several bands have set up for those who wish to have live music. The north lawn is also a popular spot for large groups to gather. We can set up a large tent for all your guest to gather under, so inclement weather won't be a worry for your event.

The Mallard room is another location that seems to be the most popular for

groups of about 50-150 people. A great private location for business meetings, family reunions or charity auctions. For the smaller gatherings the Lakeside Lodge is a great private location with plenty of common areas for your family or friends to gather and socialize. Sleeping twelve people it is the best location on the ranch. With a m a z i n g lake views and fishing right off the back porch, it is unmatched in its beauty. Lakeside lodge is the prime spot to get some of your college buddies back

together for a reunion, let us know when you make your reservation and we can stock a full bar for you or even have a private bartender to serve you your favorite drinks.

Special Times at Flint Oak

As hunt season winds down and the Ranch turns from brown to black and then to green we know it's time to welcome back our social members. All Flint Oak activities will officially open to the general public starting on April 19th. This year we will be running nightly specials in the dining room and The Last Shot bar.

Thursdays nights are the ranch are always a busy one. With our three summer sporting clays and 5-stand leagues and our weekly Thursday night themed buffets, Thursdays are the night to be seen at the ranch. This years themed buffets will feature our famous fried chicken night on the first Thursday of every month. Consistently one of the most popular Thursday night buffets we offer. A very close second is our Seafood boil night. Featuring both a spicy Cajun boil and a low country shrimp boil, there is something for all those seafood lovers. Seafood boil is always scheduled for the 3rd Thursday

of the month. Mark your calendars for these events.

Fridays and Saturdays are the busiest times of the week during the summer months at Flint Oak. Most weekends are booked with charity events, sporting clays tournaments, weddings and family reunions. When we are not booked with a large event on the weekends we offer two nightly specials on Friday and Saturday nights. Fridays are steak nights with our fourteen

ounce ribeye as a special served with our house cut French fries. Saturdays are my favorite with our slow cooked prime rib special. Our thick slice of Kansas beef served with a baked potato is sure to fill you up.

As the season progresses we will try and offer a Saturday night special

and If possible Flint Oak will try and pair it with a Tacos 'N Targets or Burgers 'N Clays on the following Sunday. It's a great excuse to get out of town and enjoy some time in nature while also saving money. Don't forget that a hotel reservation get you access to bank fishing on two of our beautiful lakes. Watch for future announcements.

Retreat,
Meetings or
Just Plain Fun

Whether you are wanting to have a meeting, have a reunion/retreat or just want to have fun Flint Oak is the place you want to be.

Finding the right place for your corporate retreat is not always easy, but once you give Flint Oak a try you will be coming back for years to come. Flint Oak is located in the scenic,

team building activities etc.... We have meeting rooms that can accommodate groups big and small. We are equipped with all the technology you could need for your meeting and can arrange for all your food and beverage needs.

Your meeting can be combined with outdoor activities like fishing or shooting sports that will refresh the mind and body and result in more teambuilding and productivity. The staff here are committed to providing you with the finest facilities and services available to make your retreat something to remember.

Now for the just fun part. You, your family and friends, a special club or group, whoever it might be, book an overnight stay or just come for the day. Fishing is a great pastime, Flint Oak has available everything from

throwing a line from the bank, renting a two man boat on Center Lake, a self-guided morning or afternoon for two anglers on West Lake and last but not least a guided fishing trip on Indian Lake. Don't forget Sporting Clays, Skeet/Trap or just hanging out by the pool.

Brunch Time at Flint Oak

Easter Sunday brunch is one of the first social season events we offer at the Ranch, this year it lands on April 9th. This is a great way to celebrate the holiday with your family or friends on Easter morning. The Easter brunch is one of the largest we do all year. With a large selection of food, there is sure to be something that everyone will love. Get your reservations in early, this event sells out every year with the best times going very fast. If you haven't been out to see the update to the dining room, this would be a great way to see it for the first time.

Bring Mom out to Flint Oak on Mother's Day, May 14th and treat her to the meal she deserves. This year's brunch will include Fresh Salmon, prime rib, and chicken cordon blue. Brunch will also include a full breakfast buffet. Of course, Mother's Day would not be complete without several chocolate desserts. For those moms that don't like chocolate with will be several other options to choose from as well. Brunch will run from 10 a.m. till 2 p.m. reserve your table today. Make your reservation early as spots will fill up.

FISH ON at Flint Oak

It is time to put the hunt season blues behind us. The miles you put on your gear is nowhere near the feeling of when you have to put it away for the summer. What is the solution to post

hunt season depression? It's a fishing pole. Go dig it out and get ready to put it to use.

Come take advantage of a cool spring day on the water, at one of our three beautiful lakes. Put your skills to the test with a self-guided trip on Center or West Lake. Look for them feeding heavy as we come out of wintertime, they will be hungry! If you are wanting a guide to show you the hot spots on Indian Lake, sign up for one of our 3-hour guided trips. Pick your favorite time of day to be on the water or ask for a guide recommendation.

Do you have a hot lure you have been dying to try? Bring it out and put it to the test! There is not a more relaxing place to do it than at Flint Oak. Get on

the water early, take a midday break and experience a hearty lunch at the Lodge, then go spend the rest of the afternoon ripping lips. Whether you're looking for a largemouth of a lifetime, an aggressive pole-bending wiper, or just looking to entertain your kids with a mess of perch, we have just what you are looking for.

Don't wait too long to plan your next trip to Flint Oak, the summer will go by far too fast. When booking, think heavily about booking a fishing trip. It will be a memory that will last a lifetime, and it may be a hobby you never knew you'd fall in love with. Remember, a bad day of fishing beats a good day at work.

than what you see during the spring time of year, there were birds on trail cameras in places we've never seen them before, making us think there might have been a better hatch last spring. The decrease in the turkey population has left a lot of people wondering "what happened to them all, they used to be everywhere?" While there were a lot of rumors going around,

habitat in areas where hens look to build nests at. This last spring was drier than normal which helped with have a better hatch than what we have had in the last few years. Predation is another big factor when it comes to raising little ones. With more opossums and raccoons running around than ever, it is hard not only for the eggs to not get eaten but also for the young birds to survive. It is well over a week after being hatched before a baby turkey can fly short distances, which means they are trying to escape predators on the ground until then. Bobcats and coyotes take a heavy toll on them during this time.

We are all looking forward to hearing that first owl hoot and the thundering gobble of a spring turkey immediately following. We are still keeping the number of hunters to a minimum this spring in hopes to let the turkey populations bounce back to greater numbers.

there are several contributing factors to why the population took a downturn. Arguably one of the biggest challenges in our area for the birds was all of the heavy spring rains we have had in the last few years. These gully washers not only can flood out the nest that the hen turkey lays but it also changes the

Turkey Season 2023

Like most of the state last spring we still saw a decrease in the overall turkey population. However this fall we have seen more turkeys across the Ranch than we have in quite a while, with high hopes of their being some more birds around this spring. While the birds in the fall and winter were in larger flocks

Deer Season 2022

We had a fantastic deer season out at the Ranch last fall. With 10 hunters out looking to fill a tag, all 10 hunters had opportunities to harvest great bucks. We started the season off in the early muzzleloader season with a guest from Oklahoma wrapping his tag around a beautiful full velvet main frame 9 point with a unique kicker off of his g2. His first Kansas whitetail, first whitetail with a muzzleloader, and first velvet buck, checking off multiple "first" on a fantastic early season hunt.

Moving on to archery season this year we only had one bow hunter with a completely booked solid rifle season coming up. A member out of Florida set out after one of our Flint Oak giants. The buck came by him the very first morning just before legal shooting hours and ended in having to let the buck walk. Later on an evening hunt the buck stepped back out into the food plot coming in facing head on without a shot opportunity. Some does slipped in behind the stand (downwind) and started getting a little nervous. This caused the buck to get nervous as well making him work his way off the food plot. With hopes of seeing the buck again that evening at an all time low, to his amazement the buck stepped back out a second time once again coming in head on without presenting an ethical shot. The buck still knew something wasn't quite right and made his way off the food plot. To his sheer disbelief, the

past four years. This buck tipped the scales at over 260 pounds and was estimated to be a six plus year old deer. Having a shed antler off the buck from the year prior made for one heck of a trophy.

The next honorable mention buck goes out to the Norris Family. The family of three all set out to wrap their tags on some trophy Kansas whitetails, and they were very successful.

buck stepped back out on the food plot a third time once again not presenting an ethical shot. "I was shaking so bad that I'm not sure I could have gotten my bow pulled back even if he did present a shot. It was incredible to see a 280+ pound buck sporting 170+ rack at 20 yards." While the buck never presented at shot what an incredible time spent in the stand and a memory of a buck that will not soon be forgotten.

For rifle season we had seven different hunters from five different states hit the woods. The first hunter on the board was Charlie harvesting an old beautiful perfectly symmetrical 12 pointer. A deer well known amongst the Flint Oak staff as he was a buck we have been watching grow for over the

The youngest of the boys came ever so close to getting a chance at the most well known buck across the Ranch. The oldest of the boys was able to bag his buck on the second evening harvesting his biggest buck to date! The father of the two boys was the last one to get an opportunity at a trophy buck. The buck that stepped out was the same buck that the youngest boy almost had a chance at on the first day of the hunt. The buck we nicknamed "Lefty" was a massive 11 pointer that was well known amongst all the Flint Oak employees. Multiple sheds were found off this buck over the four years of watching him grow. An absolute monster of a Kansas whitetail tipping the scales at over 260 pounds, sporting a 167" rack that only had a 15" spread making for one heck of a trophy.

On the second to last day of the season the youngest Noris boy had an incredible evening in the deer stand. That evening, he and his guide watched over thirty different deer step out of the timber. Twelve or more were bucks. While it was clear to see what buck was ruling the pecking order that sure didn't stop some of the younger bucks from taking out some of their anger on each other. He got to see multiple buck fights throughout the course of the evening. At one point in time there were three different pairs of bucks all fighting at the same time. Just before dark that evening there were three bucks going at it in one group. One doesn't get many deer sits in their life with that much action going on and made for one heck of a memorable hunt.

to take some time to get rested before they dive into training.

In the Update last spring there were two litters of pointers talked about and the kennel staff has spent some time during the winter taking them on walks and showing them some pigeons and let's just say that the kennel is going to be taking a big step up in the coming years because those fourteen puppies are very, very nice. The staff is beyond excited to get to honing in on their natural instincts in the training program.

As well as the puppies in the last Spring Update there were some dogs talked about, "Flint Oak Lexi" a female English pointer, "Flint Oak Ann" a female English pointer, "Flint Oak Doc" a male English pointer, and "Flint Oak Lee" a male English setter. All four of those dogs proved that they are going to guide a ton of hunts over the coming years. They all did well over 100 hunts. 100 hunts is crazy, Right? Well if any of our members or guests

were lucky enough to walk behind them over the winter they surely showed why they did that many hunts.

Also over the winter, kennel employee Devyn attended four more field trials with his English setter and English pointer and we are excited to announce that his English pointer "Tripp" finished in the top ten in the

Kansas State Championship in late January. The tournament had 46 of the best pointing dogs in the country in attendance. As well as that super performance "Tripp" is currently ranked in the top twenty pointing dogs in the entire country. Take a minute and think about that, there are a lot of pointing dogs in the country. So please help us congratulate them on their performance over the winter

As always the entire kennel staff is going to work diligently over the summer to make sure that all of the dogs and puppies are in the best shape they can be in, when the hunting season kicks back off.

Charity Shoots to Support Great Causes

As we wind down another busy hunt season out at Flint Oak, our Sporting Clays department is getting geared up for a season of charity Sporting Clays tournaments. Last season some of the finest local shooters teamed up and took on some challenging targets to raise money for some very deserving local charities.

Beginning April 1st, fantastic organizations like the Big Brothers Big Sisters Outdoor Mentors program, the Boy Scouts of America, Flight of Honor, Starkey, YMCA, and too many more to list host charity events out at Flint Oak; raising tens of thousands of dollars for their great causes. The Shooting Sports Department at Flint Oak is capable of hosting any size tournament from a few shooters to well over one hundred on our scenic Sporting Clays course.

Before the tournament, you can add onto your fundraising by offering several side games to your shooters. Flurry shoots at our world-class 5-Stand pavilion, 50 yard shots on the Long

Rabbit, and Knockout are perennial crowd favorites. With our lighted 5-Stand and Trap & Skeet field, the fun can continue until well after dark.

Once the participants feel like they have their necessary practice, they can make their way to our beautiful sports

bar The Last Shot for appetizers and cocktails before going to the dining room for a memorable dinner prepared by our Executive Chef and his staff. After dinner, several meeting rooms

are available to host auctions, hold presentations, and to show participants the good the charity they are donating to is doing.

The morning of the shoot is when the fun really begins. Golf carts and buggies will make their way to our course for the safety talk. Once the safety talk is over with participants will begin to blaze away at a variety of targets from challenging shots off of our 157' tall tower, golf ball size targets sailing inches above the water, exciting targets thrown in the timber, and possibly even targets skipping across the pond are some of the many different possibilities that will keep everyone from a novice to an experienced shooter entertained and talking about your charity shoot for months and years to come.

Contact the Flint Oak office for more information and available dates to set up your charity shoot today.

Memories to Last a Lifetime

Memories... those wonderful brief fleeting moments that you never want to forget, yet as time passes by memories begin to dim. What better way to keep them forever than with a photo. Flint Oak offers the service of taking a picture for you and placing it in a beautiful custom folio. Whether it's just the two of you enjoying a wonderful time at Flint Oak, a family get together, a school reunion, or even your corporate event, just let us know and Flint Oak will be sure and set up a time to take that once in a lifetime photo. We then process, print and package your photos in a Flint Oak folio for you and your group to take with you when you leave, to help remember the wonderful fun you had at Flint Oak. Be sure to take advantage of this great deal.

2023 Kansas FITASC & 5-Stand Championships

Mark your calendar and plan on having a fantastic time while shooting cases of shotgun shells, the weekend of June 15th – 18th, when Flint Oak will be hosting the 2023 Kansas FITASC & 5-Stand Championships. The over 6,000 acres of grounds at Flint Oak is made for FITASC, and it will ensure that all get to enjoy world-class targets, great food and comradery while visiting Southeast Kansas. This event is held at different shooting sports facilities across Kansas annually, and the shooters of Kansas voted once again

for Flint Oak to host this great event this year.

The four day, action packed event will start on Thursday June 15th with small gauge FITASC (20-28 ga). Early Friday morning the GP Traps 100 Sporting Clay event will start, along with day two of the small gauge FITASC. These first couple of days will give the competitors a chance to get warmed up and find their groove. The main events will kick off early Saturday morning, June 17th, where shooters will be attempting fifty targets daily on both the FITASC main and 5-Stand main event Saturday and Sunday for 200 total.

On Saturday our annual signature shoot, the Oakley Cup, will also be going on to ensure the competitors have plenty to keep them busy. On Sunday our Annual Wildcat Cup will be open to all competitors and the public to enjoy. Proceeds from this event are donated to the Wildlife and Outdoor Enterprise Management class to be used throughout the year. Management and target setting for this event will be handled by the students from KSU.

Get entered for this fantastic event at www.scorechaser.com and plan on being in Kansas for good time the middle of June.

Flint Oak Cup and Make-A-Break Tournament October 6th - October 8th

Our 4th annual Flint Oak Cup will be held the first full weekend in October this year. This three day event will have a 200 target Main Sporting tournament that runs both Saturday and Sunday, and will take place somewhere on the over 6,000 beautiful acres the Ranch has to offer. Friday October 6th we will kick off the 3rd annual Make-A -Break tournament. This side tournament will have four MAB's set up and running over the three days with daily and weekend cash pots for all to partake.

ALL of these events promise to have fantastic targets set by Brent Fleming with GP Traps, along with

excellent food, great accommodations and stories each evening in The Last Shot Sports bar. Call and reserve your room today as it will sell out, and watch for more details for this Fun Fall shoot.

Spring Shooting Lessons

The days getting longer, the grass starting to grow, and the trees start to green up all mean one thing: Spring has Sprung! If you are like most people, you will forget those birds you missed in the field last year as you reflect on your last hunting season with rose colored glasses, and you'll put your gun back in the safe for the summer. Dig those guns back out and head to Flint Oak because the spring and summer are the perfect time to get out and shoot some targets and figure out why you missed those birds in the field. Not a hunter but want to increase your proficiency with a shotgun when shooting Sporting Clays, Trap, Skeet, 5 Stand, or any of the other clay target games? We have three NSCA Certified instructors on site that can help you with any aspect of your shooting and get you to the next level.

At Flint Oak our Shooting Sports Department offers one on one or group lessons to help diagnose and fix the most common fundamental mistakes. We begin by getting to know you and what your shooting background and experience are, and check and tweak gun fit. From there we can discuss your ultimate goal, whether it is to work on just breaking a few targets and build a little confidence behind a gun, to work on lead, put more birds in the bag, or any of the many other facets of shotgun shooting. With our World-class Sporting Clays Course, a Trap & Skeet Field, and 5 Stand Layout, we have the facilities to offer nearly any and every scenario you might encounter out in the field.

Contact the office today to set up your shooting lesson to "get the misses out" of your gun before bird season is upon us.

Precision Rifle Classes

If you would like to learn from one of the best Instructors in the US on how to effectively and consistently shoot out to 1000 yards and farther, we have a great all-inclusive experience lined up for you again at the Ranch.

Gene Hauenstein, a former Marine Scout Sniper, now Marine Instructor with over 25 years of experience teaching Precision Rifle will be at Flint Oak for a fantastic class. Eight students will have to opportunity during the three-day course to learn the arts and science of Precision Long Range Shooting.

Attendees will be taught the fundamentals of internal and external ballistics, marksmanship fundamentals, optics and rifle sight-in procedures. Gene will start you out at 100 yards and then push you out to 1,000 or possibly further by day three. This will be our 6th year hosting classes on our two 1,000 yard ranges. This year we will be using our new Bauer Range that consists of a 25'x130' covered, twenty bench facility where we can shoot zero to 600 yds. Gene's systematic approach will help you build a foundation and skillset on what it takes to read the wind, judge distance, and effectively get rounds on target down range time and again.

Gene's straight forward process will teach you to take your rifle, zero it, make scope adjustments and then have you engage targets at long distances with confidence. This type of teaching will have you doing the work, because he will not be with you on your next Big Game Hunt when you are needing to harvest the animal of a lifetime at 631 yards. For information and dates on the course and what it includes along with what you'll need, please contact the office as space is very limited.

41 YEARS Flint Oak's Annual Hunter Education

Flint Oak will conduct the 41th annual Hunter Education course on August 12 and 13, 2023 with the help of the Kansas Department of Wildlife, Parks and Tourism and our local conservation officer. This course consists of outdoor hands on instruction that allows students to become more involved in the learning process. During these sessions, students will be taught history of firearms, firearms basics, ammunition, basic gun safety, hunter responsibility, ethics, and fair chase, field safety and bow hunting. Included are lessons on conservation and wildlife management, wildlife of Kansas, outdoor emergencies, Kansas hunting regulations and boating safety for hunters. The course will run all day on Saturday and half a day on Sunday. After completing the session work, the students will be given a box of shells if they would like to "PRACTICE" what they have learned at Flint Oak's 5-Star rated Sporting Clay Course on Sunday afternoon.

The age requirement to become certified in hunter education is 11 years of age. The hunter education course may be taken by those under the age of 11, on space available basis, but will be required to take the course again

upon reaching the age of 11. There is no charge for the course and everyone is encouraged to take the course even if not required by law.

Remember, anyone born on or after July 1, 1957 must be certified by an approved course in hunter education before they can hunt in Kansas with the exception of anyone 15 years old and

under may hunt without hunter education certification provided that they are under the direct supervision of an adult 18 years old or older who has completed a hunter education course. A one-time deferral of the Hunter Education requirements may be acquired by individuals

16 and older by purchasing an Apprentice hunting license. Holders of Apprentice hunting licenses must hunt under the supervision of a licensed hunter age 18 or older. Under Kansas Law, Hunter Education Certification issued by any state, Canadian Province and some foreign jurisdictions are also deemed to meet the Hunter

Education requirements.

Rooms are available for those who would like to enjoy a weekend stay at Flint Oak and lunch will be provided for a minimal fee to the attendees. As openings for this course are limited, please call 620-658-4401 to reserve your spot today!

Our NEWEST addition... the 600-yard Bauer Range is going HOT!

Flint Oak's newest shooting sports addition is a fully covered 25' x 130' rifle/pistol shooting range outfitted with 20 shooting benches. Flint Oak teamed up with Jim and Sally Bauer in the design and construction of this fantastic new venue. Shooters will be able to engage handgun targets as close as 10 yards, and rifle targets all the way out to 600 yards. If you have a new handgun, rifle or your trusty old favorite, and would like to put some lead down range, call the office and make an advanced reservation to enjoy the Bauer Range at Flint Oak.

Jarrett Angle applied for a Flint Oak K-State Scholarship and was awarded the Trevor McCoy Scholarship. This scholarship was implemented by Flint Oak Member Kevin McCoy in memory of his son. Flint Oak was asked to select one of our applicants to receive this scholarship award in the amount of \$2500.00. The other recipients were awarded \$1000.00 each from the Flint Oak Scholarship Fund. Flint Oak would like to congratulate all applicants on their awards.

Jarrett Angle

Hello, my name is Jarrett Angle, I am a sophomore at Kansas State University this year pursuing a degree in Wildlife and Outdoor Enterprise Management. I previously attended Pratt Community College where I studied in their WOO program for a year. I am originally from Anthony, Kansas where I attended high school at Chaparral High School.

I was very involved with athletics and participated in wrestling and baseball all four years. I was also involved in community programs such as the local 4-H club where I served as a member for 14 years showing pigs and cattle and also a part of FFA where I served as a member for 4 years.

I have a younger brother and an older brother whom we lost suddenly a few years ago in an accident that had taken place during my sophomore year of high school. Since the loss of my brother, money has been tight for my family between caring for us all and making sure we have the things we need, and covering the medical expenses that still remain.

To help myself with the loss of him, I began to go out hunting with my dad and grandpa for waterfowl and that is when I discovered my love for the outdoors and the wildlife in it. My future plans include becoming a game warden here in the state of Kansas, so I am able to stay close to my family. This scholarship will help me cover any educational fees that may come up during my time of study and help me get closer to my end goal.

Thank you again. I appreciate you all taking the time out of your day to look over my application for this wonderful scholarship opportunity.

Vogan Chasyn

About me, I was born in Salina, Ks, and I lived in Las Vegas for a couple of years before coming back to Minneapolis, Ks and living there. I have had a strong love for every sport that is out there and always wanted to be the best at them all and compete.

It wasn't until I was probably eight when I realized I loved the outdoors. The smell of the air, the wildlife, and best of all, all the plants and trees that you see all over, make my love for the outdoors skyrocket. My mom always had my brother and I outside and it showed. From burning leaves and making a big fire to living in our shed and shooting our pellet guns at birds, life for us was good.

Some of my favorite memories ever were when my brother, mom, and I went out on our nature walks out in the country. We would find antler sheddings, old buildings, and we even found a cave that had Indian arrowheads and carvings all in it.

As I started to learn life and figure it out, my mom passed away. I started to love everything in life and push to be better and give extra like she taught us. As high school started to come around, I found myself competing in the top level of all my sports, I became our homecoming king, and best of all I made great friends, and helped counsel kids who were not having the best lives.

This summer before leaving for college I found a deep love for kayaking in the private pond we have and I would study the pattern of wildlife movement throughout the days. Late nights I would find a spot in the corner and watch birds come in. The fish would bite, and I would hear the coyotes in the distance coming. I found lots of peace and love on those late nights. Now, I am in college and living the best life so far and having a blast with everyone and everything!

Sean Ferguson

My name is Sean Ferguson. I was born in Overland Park, Kansas and lived there my

whole life. I was raised in a small Christian family. I loved playing sports throughout my youth and was involved in cub scouts in elementary school.

When I was 6, my dad took me on a canoe trip with him and his friends to the Boundary Waters in northern Minnesota.

We fished, camped, and cooked our own food and that was my first long time away from home. I continued going on this trip with him every summer and I still go with him to this day. This trip sparked an interest in me at a young age.

My love for playing sports faded away sometime in middle school and transitioned to my love for the outdoors. I was involved in Boy Scouts and achieved Eagle Scout my first year of high school. My dad got a new boat just before I started high school. He would take me out fishing to nearby lakes and teach me new things. I started to buy my own rods and tackle and research everything about the sport. When I was not on the water or in the woods, I was watching videos on hunting or fishing. I joined my high school's bass fishing team and fished tournaments throughout high school.

I got hooked on hunting when my dad took me pheasant and turkey hunting my freshman year. I later taught myself how to deer and duck hunt. I am still learning many new things about these animals. My family does not have any private land for me to use so public land is all I know, but I love the challenge of hunting public and all the experiences you can encounter.

My junior and senior year of high school I got a job at Scheels in Overland Park. I worked as a bow technician and learned a lot, not only about retail, but about bows and hunting as well. I started my own YouTube channel, SFerguson Outdoors, to be able to re-watch my favorite moments and to share the experiences I have with other people.

My dad forever changed my life by taking me into the outdoors. You could not steal the smile from my face when I caught my first fish or shot my first bird. I will never be able to thank him enough for introducing me to my favorite hobbies. I will forever cherish the memories we made together, and I am excited for future outdoors endeavors.

Samantha Jeardoe

My name is Samantha Jeardoe. I was born in Salina, Kansas, and raised in Concordia, Kansas. My childhood was full of farm work, hunting, fishing, and having fun. I have always been close to my mom's side of the family. My uncles taught me how to shoot a bow and arrow and work cattle, my grandpa taught me how to drive a stick shift and to change my own oil and tire, and my mom and grandma taught me how to be strong and cook the world's best homemade apple pie.

The women in my family are all in the healthcare industry, so it came as a surprise when I told them that I wanted to be a Game Warden. I remember when I first told my family at the dinner table. My mom, grandma, and aunt looked at me shocked, and my uncles threw their hands in the air and started cheering. The men at the table were all excited to find out that the only granddaughter / niece wanted to do something that only men in the family were interested in. The women at the table were not only surprised, but proud that I was brave enough to deviate from the others and pursue what I loved, even if it wasn't what they loved to do.

Throughout my high school years, I started improving my skills and knowledge about wildlife and the environment around me. I put in many hours on the farm working livestock and irrigating plants, target practicing, and brushing up on my knowledge of law. My mom started bragging to her coworkers and friends every time she introduced me saying, "This is my daughter. She's going to K-state to be a Game Warden", which not only embarrassed me, but made me feel supported.

Now that I am in college, I get calls from my family every day. I'm the oldest of my generation, so it's hard for my family to learn how to live without me at home every day, but they support me.

I'm very grateful to have a family that supports me, and proud to have been raised the way that I was. I don't know where I'd be without the farm and my family.

Jonathan May

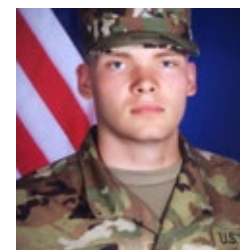

My name is Jonathan May. I was born in Monroe, Louisiana

and shortly after moved with my parents to the Austin area of Texas. I have five siblings, two older twin sisters, a younger brother, a younger step-sister, and a younger half-brother. I graduated high school in 2017. I am 23 years old, and spent the last five or so years serving in the US Army. When my active duty contract ended, I decided to join the Army Reserves. I moved home to Texas for a few months where I was working with my Dad at his automotive repair shop as a service advisor. After a few months I began feeling like I was missing some form of purpose in my life, so I decided to start looking into continuing my education.

I loved spending time outside with the fresh air, sometimes I brought my siblings along, but a lot of the time I just wanted to enjoy the sounds of the leaves in the wind, and the birds. Growing up in a big family like mine, you cherish your time away from everyone. Going into the woods or down to the dock helped me escape. But when I wasn't alone, my siblings and I were always making up new games to play, and my brother and I were always trying to see who could swim out the furthest before my dad said it was too far. The sunburns we would end up with just meant we had a good day, and we would just turn around and do it again the next day.

I want to be a game warden because I feel like I have a good head for that sort of thing. I have no trouble being on the law enforcement side of things, but I mainly want to help protect animals anyway I can. Whether that's stopping a poacher or getting a family of possums safely out of someone's chimney. People have done a lot of harm as a whole, and I want to be a force for good in the wildlife community.

After looking at different schools and what they had to offer, I decided on K state. The Agriculture program is just as big as a more local school to where I'm from, like Texas A&M, but the student population is about a quarter of the size. I chose the WOEM program because I want to enroll in a Game Warden Academy after graduation, though I'm not sure which state I want to end up in quite yet. While Texas did not specify what my Bachelor's degree had to be in, some other states do, so I chose a program that fits the criteria for every state.

Parker Jack McDaniel

I was born in Granbury, Texas on May 3, 2004. I lived in Texas until age 8 when my family relocated to Burlington, Kansas. I attended elementary, middle school and high school in Burlington, Kansas graduating in May 2022.

Throughout my life I participated in many different clubs, organizations, sports and extracurricular activities. I enjoyed playing football for the Burlington High School Wildcats for four years and was also in the band for four years playing the saxophone. From a very young age I started playing golf and played on the high school team for four years. When not competing or volunteering to coach youth sports, I spent time volunteering through the church's youth group and within the community to help with residents' home repairs and church renovations.

Having a big heart for animals, I took a job as a farm and ranch hand for two years helping the owner with animal care, feeding, and transport. Additionally, I worked as a dog trainer and caregiver for almost three years for a local kennel that trains bird dogs for hunting. Responsibilities there included: helping to keep up with the facility maintenance and appearance; training, grooming, feeding, and transporting dogs for medical care; and helping to advertise and sell the dogs when they're ready for their new homes. Despite all the extracurricular activities during high school I took classes through Allen County Community College and completed 30 credit hours with a 4.0 GPA in addition to a high school GPA of 3.833.

From a very young age I was an avid outdoorsman, spending as much time as possible hunting, fishing and participating in outdoor recreational activities. With the help of my dad, I learned to hunt and fish from a really young age. These activities are my favorite hobbies to this day. When it came to choosing a path for life after high school, it became clear that I wanted to find a way to turn his passion into a career.

I am currently enrolled at Kansas State University in the Wildlife and Outdoor Enterprise Management program. I plan on using this degree to one day build my own business, owning a hunting and fishing resort offering outdoor experiences combined with the conservation of the natural resources that surround us.

Flint Oak Ranch ORVIS ENDORSED WINGSHOOTING LODGE

Orvis is a name synonymous with quality. Flint Oak, as well, is a name synonymous with quality. Since 1856 and 1978, respectively, each company has built a standard in each of their respective industries. That standard is a gold standard, a standard that sets the bar high for competitors. Flint Oak continues to carry a 5-Star recognition in the Hunting Resort industry, striving to stay on top of the finest of details to give Members and their guests the most extravagant customer service experience possible.

Since becoming an Orvis Endorsed Wingshooting Lodge, Flint Oak has seen great reviews and feedback on Flint Oak's page on the Orvis website (<https://www.orvis.com/flint-oak-ranch/3BAG.html>). The Endorsement is a great platform for Flint Oak (www.flintoak.com) to display what we offer, by having a subpage on

the Orvis website. It shows activities, photography, even a link directly to our website and gives visitors a complete look at Flint Oak. The platform allows

Members and guests to leave reviews of their experience at Flint Oak, giving website traffic a depiction of what kind of establishment Flint Oak is. Flint

Oak is blessed with the best Ownership and Staff, who are all aware that our goal is to simply make the best, better. As a team, we want to ensure we keep the title of "America's Premier Hunting Resort," and the Orvis Endorsement will certainly assist in that.

In the spring of 2022, Flint Oak was named a Finalist for Orvis's prestigious Wingshooting Lodge of the Year Award. We are proud to have been named one of three finalists, and our goal is to work even harder, and continue to provide high level customer service and remain at the top!

Flint Oak wants to Thank all of our wonderful Members for the continued loyalty and support. As promised in the past, we want to make every day at Flint Oak the finest hunting/shooting experience of your life. We look forward to seeing you in your next adventure to the Ranch. As the summer kicks off, we all know it won't be long until we are back behind a first class, fine-tuned bird dog.

ONLY THE FINEST!

Each year our buyers travel to the top sporting trade shows across the country in search of the "finest" shooting and hunting merchandise available. We do this so that we can outfit our discriminating members and guests with some of the best gear the industry has to offer. Items that meet our expectations combine the high standards of quality we demand with fair, realistic prices. These select items from each product line are available in our Pro Shop where you will find a complete selection of fine clothing, firearms and accessories for the outdoor sportsman.

Fly Your Company's Flag

Flint Oak offers two great opportunities during your visit, the ability to fly your company flag and printing your company logo on our dining room placemats, both at no charge to you.

First opportunity, flying your flag. To fly your flag during the length of your visit to Flint Oak simply bring it with your on your visit or send it to us in advance. Our American and Kansas flags are 4'x6'

Second opportunity, creating your own personal placemat. Maybe you are

holding your family reunion, a school reunion or other special event. If you have an emblem or crest you would like on your placemats, request Flint Oak to print them, email the emblem to Flint Oak and your table at breakfast and lunch will be set using your own personalized placemats.

Please notify the office staff when making your reservations to make arrangements for flying your flag and printing your placemats.

Individual and Corporate Membership By-Laws

Flint Oak offers four kinds of hunt memberships, Individual, Corporate (multiple), Junior or Senior.

INDIVIDUAL (Single designee)

Individual Memberships shall be issued in the name of an individual or in the name of a business or firm. Individual Memberships are assigned to one (1) designated individual and are non-transferable. The designee of an Individual Membership will be responsible for any charges incurred by his guests.

CORPORATE (Multiple designees)

Corporate Memberships shall be issued either in the name of a company or an individual associate of a professional group. A company is understood to be any entity holding a Federal Employer Identification Number (FEIN). Such named entity (whether a company or an individual associate) shall be designated as the Owner of the Membership, and the rights and privileges of the Membership are the property of the named Owner. The first Designee appointed by the Owner of the Membership shall be responsible for and billed for all charges incurred by designees and their guests.

Corporate Memberships include membership rights and privileges for three (3) designated individuals. The first Designee shall be Flint Oak's contact for billing purposes. All designees must be directly employed by said company or an associate of the same firm as the Owner of the Membership. Designees may be changed at no charge provided the Owner of the Membership notifies Flint Oak in writing of the substitution.

JUNIOR (Single designee)

Junior Memberships, for those between the ages of twenty-one and forty, require current Hunt Member sponsorship, are assigned to one (1) designated individual and are non-transferable. The designee of a Junior Membership will be responsible for any charges incurred by his guests.

SENIOR (Single designee)

Senior Memberships are available to our current members, who have been a member for the previous five years and are 70 years of age or older. Membership is assigned to one (1) designated individual and is non-transferable. The designee of a Senior Membership will be responsible for any charges incurred by his guests.

Dues and Charges

1. Membership dues, regardless of Membership type, shall be paid in advance. Hunt Membership dues will establish membership for one year from the date of acceptance.
2. All monthly charges will be due the tenth of the month following the month such charges were incurred.
3. Members will be responsible for any charges and/or damages incurred by their guests. Guests will have no billing privileges.
4. Members will be billed monthly. Payments to be made by check or ACH payments (no credit cards.)
5. Corporate Membership billings will be to one designated Member, and will not be broken down to individual designee charges.
6. Hunt credits and/or services included with the initial membership fee must be used during the months of membership. They do not carry over to another membership year, nor are such unused services subject to refund at the conclusion of the membership. Social Memberships receive no hunt credits.

On a Corporate Membership the first Designee or his assigned should collect and forward any moneys paid in order to keep the account accurate. Flint Oak will consider the corporate membership as one account and cannot credit individuals in that account as well as assign hunt credits to individuals in that account. All monies received will be applied to earliest invoices.

The Corporate Membership rate is extended due to the reduction in bookkeeping on one account rather than three individual accounts.

Memberships

Flint Oak started being developed and planned in 1978 when the first parcel of ground was purchased. In 1982 when the doors first opened for Hunting, memberships were offered for sale. Many said that it would not work, but the old saying “if you build it, they will come” held true. Today we are blessed to still have many of the Charter Members and their families still involved, some enjoying their 3rd and 4th generations in the Field.

Corporate Membership
\$8000.00 / 4000.00 back in Hunt-Fish credits annually.
3 names on the Membership

Individual Membership
\$4000.00 / 2000.00 back in Hunt-Fish credits annually.

Senior Membership
Upon reaching 70, any Member who has been a Member for 5 plus years qualifies for this Special Membership. \$1000.00 / 900.00 back in Hunt-Fish credits annually.

Junior Membership
21-40 years of age. Must be sponsored by a current Member \$1000.00 / 900.00 back in Hunt-Fish credits annually.

The staff of Flint Oak would like to thank each and every Member for their support over the years. We have been truly blessed with the many memories and friendships made in the 43 years since Flint Oak was started. May we see you for many more years of friendships, great outdoor fun and countless celebrations to come.

2023 HONOR FLIGHT

5th Annual at Flint Oak September 8-9th

Flint Oak is honored to be part of this great event again helping America’s Veterans make the trip to our Nation’s Capital.

Three small Kansas high schools - Parsons, Chetopa, and St. Paul - have worked to send 144 military Veterans on all-expense paid trips to Washington, DC through Parsons High School Honor Flight. You have the power to send the next 24 Veterans of the 42,000 still waiting to go by attending the fifth annual sporting clays shoot and charity auction at Flint Oak on September 8-9, 2023.

The event begins on Friday afternoon with registration opening at 1:00 and a variety of sporting games for fun and competition. Social hour at 5:00 is the first official activity of the event followed by one of Chef Phil’s famous dinners and then the PHS Honor Flight charity auction. This auction is unlike any you’ve attended where fun and fellowship come together for a great cause! After a great Flint Oak breakfast on Saturday morning, teams of four will

hit the sporting course for a 100-bird competition. With awards in two divisions, you don’t have to be a great shot to have a good time and maybe even take home an award. You’ll cap the event with another great meal by the Flint Oak team.

Parsons, Chetopa, and St. Paul High Schools work in cooperation through Parsons High School Honor Flight to send military veterans on all-expense-paid trips to Washington DC. Our hub is different from others because we pair our Veterans with high school Guardians to serve as personal assistant, friend, and confidante. In doing so, we bridge the generation gap and create friendships that literally last a lifetime.

Although Honor Flight is a national organization, each hub is responsible for raising its own funds for each flight. This event is the major fundraiser for the organization. For information on how to sponsor and/or participate, email Bobbi Williams at bwilliams@usd505.org or text/call 620-674-1761.

IMPORTANT REMINDERS

FISHING REMINDERS

Fishing is April 1st through October 31st. Catch and release only for Bass and Wipers. See fishing rules. During these months fishing for overnight guests and Social Members is at Center Lake, Duck Pond, along the creek and Lodge Lake from the silo to the windsock. Indian Lake is not included. During the month of September fishing lakes may be booked as long as no European or Field Hunts are scheduled in the vicinity.

During fishing season Flint Oak rental boats are permitted on Center Lake. No boats are allowed on Lodge Lake or Timber Lake due to the shot fall from Sporting Clays. We are very concerned about contamination of our water by zebra mussels or other invasive species. Under no circumstances will boats not owned by Flint Oak be allowed on any of the lakes or the creek. No waders allowed. Artificial bait only in the lakes, barbless hooks required

GUIDED FISHING CANCELLATIONS

Guided fishing cancellations received eight (8) days in advance, no charge; canceled seven (7) days or less \$125 per boat reserved.

SUMMER RESERVATIONS AND CANCELLATIONS

All activities at Flint Oak require ADVANCE RESERVATIONS. We limit the reservations we accept to the personnel and facilities we have available. Unlike the airlines, WE DO NOT OVERBOOK! If we accept your reservation, we guarantee that we will have everything required for your activities (just like buying a ticket to a ballgame). We are located “deep in the country” and do not have passer-by business. Our food orders and personnel schedules are made weekly and must be based on advance reservations.

Once your reservation is booked, we incur the expense of whatever advance ordering and planning are required. So if you fail to come, or cancel after the expense of preparations has been incurred, what is fair? Should all guests be penalized by increased charges to cover these expenses? Most of our guests believe it is fairer to charge a cancellation fee to those who create the increased cost!

ROOM CANCELLATIONS

Room (meeting or lodging) reservations made for NON-HUNT/FISHING RELATED activities require a first-day deposit per room for non-members to guarantee reservations. Rooms may be canceled at NO CHARGE twenty-four (24) hours in advance. Cancellations twenty-four (24) hours or less will be charged the full amount per room per day reserved unless other arrangements have been made in writing by management.

MEAL DEADLINES

Please make reservations for meals by the following deadlines to allow us to prepare properly. Reservations will be accepted after deadline if we can do so with the staff and food preparations available.

Breakfast 6:00 pm the night prior
Lunch .10:00 am
Dinner...3:00 pm

Because we do not have “drop in” business, Flint Oak can seldom fill a “short notice” cancellation. The only way we can continue to provide the services you expect at realistic prices is if all guests respect and adhere to our reservation and cancellation guidelines. We have tried to structure our requirements to be fair to ALL concerned, you, other guests and Flint Oak.
